www.interreg-danube.eu/daphne

The screenshot displays the DAPhNE website interface. The top navigation bar includes links for 'ABOUT DTP', 'CALLS', 'RELEVANT DOCUMENTS', 'NEWS & EVENTS', 'APPROVED PROJECTS', and 'CONTACTS'. The main content area is divided into two primary sections:

APPROVED PROJECTS

This section features a search and filter interface with the following options:

- Call:** Select one
- Priority:** Select one
- Project country:** A map of the Danube region with current selections highlighted in blue.
- Status:**
 - None
 - In progress
 - Finished
- Intervention area:** [Text input field]

A 'Search' button is located below the filters. Below the filters is a table of approved projects:

Project Acronym	Project title	Priority	Specific objective	Lead partner
3Smart	Smart Building - Smart Grid - Smart City	Better connected and energy responsible Danube region	Improve energy security and energy efficiency	University of Zagreb Faculty of Electrical Engineering and Computing

PARTNERS

The 'PARTNERS' section includes a table listing project partners:

Name	Type	Email	Country
Pro Danube International	Lead partner	dania@prodanube.eu	Austria
Ennsstaden Port	ERDF partner	k.kainzinger@ennsstaden.at	Austria
IC consulaten ZT GmbH	ERDF partner	s.jovanovic@ic-group.org	Austria
Ovidius University of Constanta	ERDF partner	economics@ovidius-university.net	Romania
Pro Danube Romania	ERDF partner	pdro@prodanube.eu	Romania

Below the partners table, there is a 'PROJECT NEWS' section with a link to 'DAPHNE - DANUBE PORTS NETWORK KICK-OFF EVENT IN BUDAPEST - 20/02...'. A 'Subscribe to project newsletter' form is also visible at the bottom of the page.

Main services
Successful innovation transfer demands the definition and application of a wide portfolio of instruments. INDanube organizes the knowledge transfer in the Danube region regarding the innovation needs from the perspective of the society, vessel & fleet operator, transport users and logistics operators, authorities and policy makers. The main services...
