JOINTISZA Project Stakeholder Involvement Event & DanubeSediment Project Launch Event

April 11, 2017 | Budapest, Hungary

Project co-funded by the European Union (ERDF, IPA funds)

Public Participation (PP) - in the context of EU WFD:

„means of improving water management through better planning and more informed decision making”

Experiences from EU:

Eurobarometer poll
across Europe (2009):

Source: Flash Eurobarometer on Water (Flash No 261)
http://ec.europa.eu/public_opinion/flash/fl_261_en.pdf

14% aware of the
consultation process

~ 50% would be interested
in participating

M a i n b a r r i e r s :

use of highly technical language,
making difficult for non-experts to
engage

F u n d a m e n t a l :

ability of the public to understand
how the issues being discussed are
relevant to their lives

PP activities planned in the JOINTISZA project: *looking forward (1/2)*

1. Developing a strategic plan: **Public Involvement and Participation Strategy** - covering whom, when and how to involve in the preparation of the updated ITRBMP

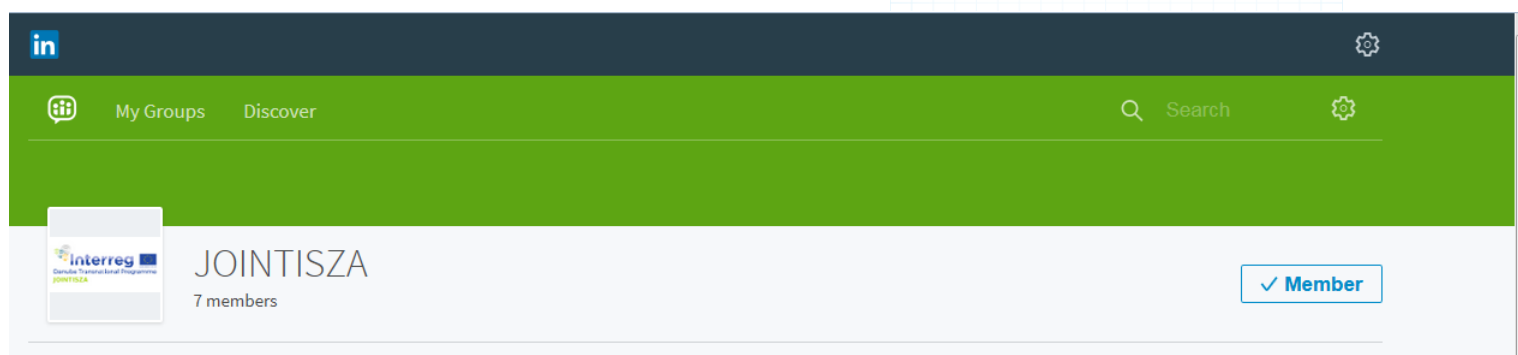

STEPS:

- i. Understanding the situation
- ii. Planning (key stages of the process):
 - identification of the stakeholders/public concerned, information needs
 - developing time schedule, number and timing of events etc.
 - expected outputs and outcomes

PP activities planned in the JOINTISZA project: *looking forward (2/2)*

2. „Train the planners” 2 day training seminar on stakeholder involvement
3. National level follow-up meetings with the project partners
4. Basin wide consultation:
 - i. Electronic/written consultation on the significant water management issues
 - ii. Consultation event on the draft updated ITRBMP
