Key speakers from European Commission presented goals of European spatial data infrastructure and available tools for data providers...

... And were really interested in presentations about tools and use of data for a quality territorial decision making in cities and regions and following presentations with spatial data infrastructure implementation experiences and progress in different countries.

The discussion continued even after the sections ended.

14 February 2017 – Panel discussion

The Magnificent Five:
Petr Holý (CZ),
Katahrina Schleidt (AT),
Tomaž Miklavčič (SI),
Marie Petrová (CZ),
Robert Konrad (EC)
