

When there is a big change in their lives, going to another country, or coming home is something young people often think about.

MIGRATION USUALLY AFFECTS YOUNG PEOPLE

The top country where young people emigrate to from Hungary is Germany. The UK was only the second most popular destination in 2016. Immigrants come to Hungary mainly from Ukraine, Romania and Serbia, and this includes Hungarians born abroad.

YOUTH MIGRATION FLOW TO AND FROM HUNGARY, 2016 (AGES 15–34)

Emigrants: Hungarian citizens. Immigrants: nationals and foreigners born abroad.
