- MODULE 2: Project design**
- MODULE 3: Project management**
- MODULE 4: Social innovation**
- MODULE 5: Innovation in the business context**

- Young graduates (millennial lions)
- Young project managers
- NGOs
- Subject matter experts
- Higher education institutions
- R&I institutions
- Training centers
- Public authorities/Policy makers
- SMEs
- CSOs

# 5 doors of learning

11 partners from 9 countries in the Danube Region formed a collaborative learning community to design, test, and offer a quality **Excellence in Research, Social and Technological Innovation (ReSTI) Project Management Programme** with the core purpose of increasing the capacity for European Union project acquisition, planning, and implementation.

The project is funded by the EU Interreg Danube Transitional Programme and lead by The Centre for Social Innovation (ZSI), Vienna, Austria.

### Our main outcomes:

- ReSTI Network
- ReSTI Curriculum (5 modules)
- ReSTI Pilot
- ReSTI Infodesk

- The Library**  
course content resources
- The Café**  
interactive activities with others
- The Forest**  
reflection activities to integrate the learning
- The Playground**  
playful activities and game
- Assessment**  
to test the level of knowledge gained and/or skills acquired

# Certification

Participants who complete one-year pilot course with **all five modules** and who fully participate in the **three face-to-face sessions** are eligible for a **certificate issued by the consortium**.

**Virtual badges** for credits earned for each completed module and the final certification will be issued.
