## JOINTISZA PROJECT

*‘Strengthening cooperation between river basin management planning and flood risk prevention to enhance the status of waters of the Tisza River Basin ‘*

---

### WP1 - 3rd WORK PACKAGE MEETING

---

**LOCATION:**

*Bucharest, Romania*

---

**PARTICIPANTS:** representatives of project partners and associated strategic partners. Note: Each partner should be represented by at least one person!

**MAIN OBJECTIVES OF THE MEETING:** This is the third Work Package meeting where all of the Project Partners and ASPs are representing, aiming to be informed about the state of the project and to approve relevant deliverables. WP leaders is kindly requested in order to enable efficient work to focus on their presentations on risks and problems to be solved, rathered non-technical details and issues for building the linkages between the technical work packages to allow smooth running of all activities.

- To approve the 3<sup>rd</sup> Periods’ relevant deliverables presented by the WP Leaders
- To review in details the activities and Work Plan for the 4<sup>th</sup> Period
- To present and discuss risks and problems to be solved
- To agree on further immediate steps.
