

## DANUBE PORTS NETWORK

DPN OFFICIAL LAUNCH EVENT

10 April 2019, Vienna

- **“Danube Ports Network” Concept & Pilot Action** initiated within “DAPhNE – Danube Ports Network” Project – (Jan. 2017 – June 2019).
- DPN acts as a regional coordination & collaboration platform involving public & private Danube port organisations.

## ■ Vision

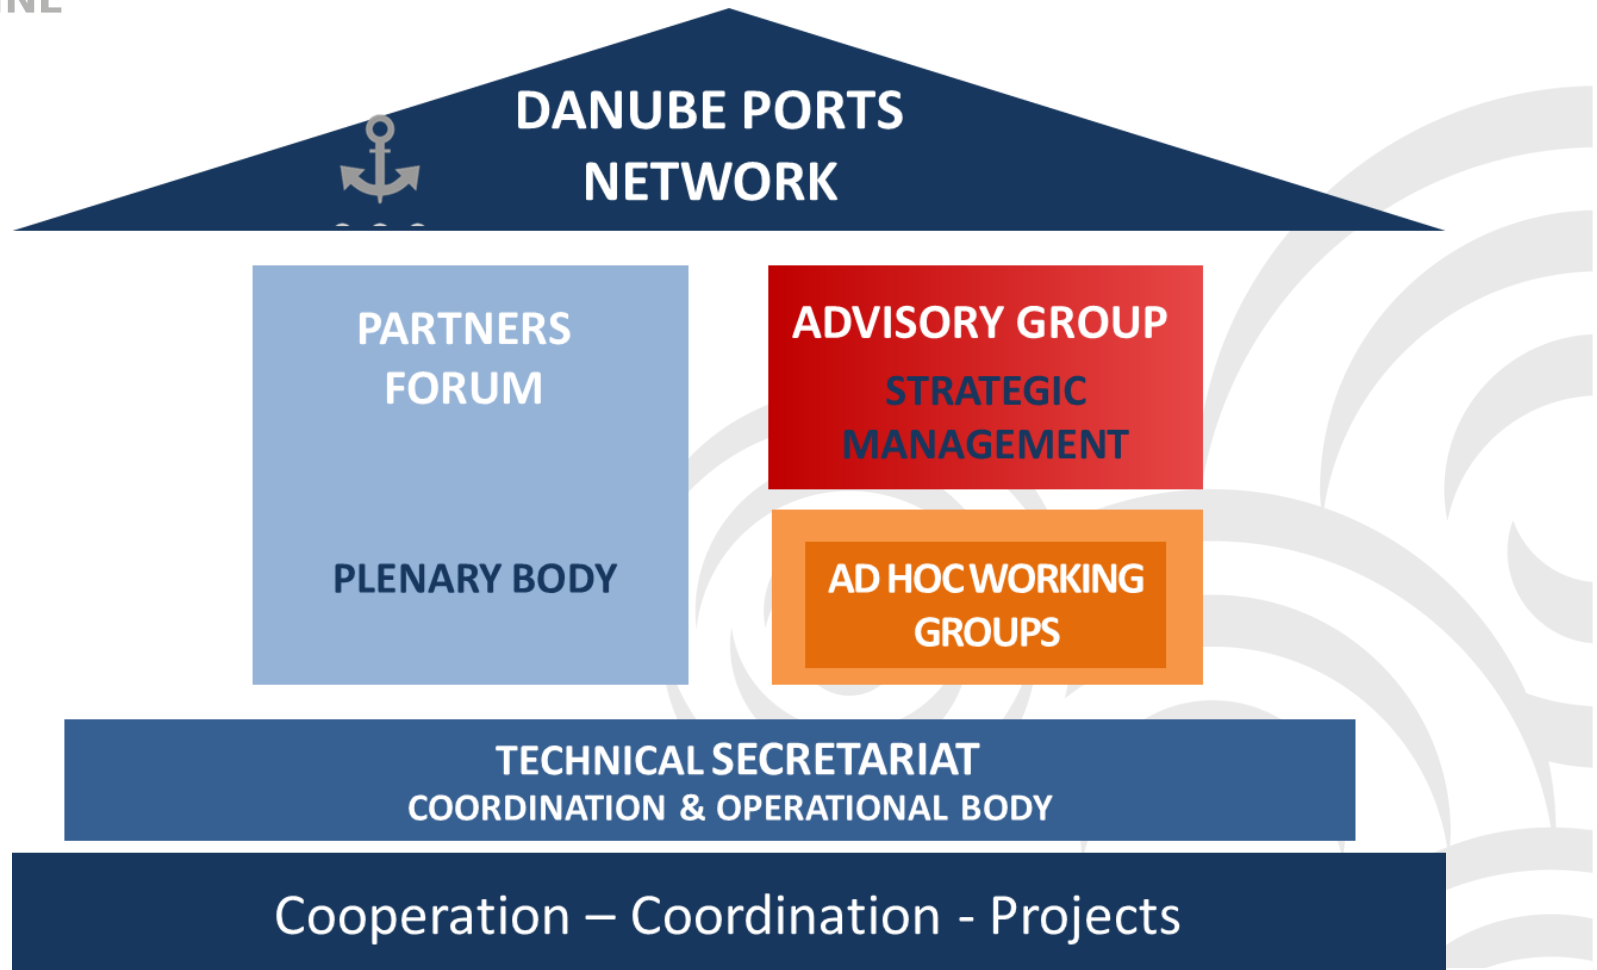

- To achieve a more dynamic, sustainable, state-of-the art network of ports in the Danube Region with a stronger & more coordinated voice at regional and EU level.

## ■ Mission

- To work with and for the Danube Region's ports & terminals,
- To build trust and expertise, serve our partners more effectively, share knowledge, seek access to funding, and address complex issues facing the port sector through joint actions and common interest projects.

## ■ Objectives

- To facilitate projects and strategic initiatives of common interests,
- To organize policy and network awareness activities,
- To facilitate knowledge creation and transfer,
- To enable transnational cooperation and forge strategic alliances and partnerships with relevant stakeholders.
