

# BUSINESS BREAKFAST ORGANIZED BY ODIMM

PLACE: MOLDOVA

DATE: 29.10.2019

Organization for Small and Medium Enterprises Sector Development (ODIMM) organized the third Business Breakfast within Danube Chance 2.0 project financed under Danube Transnational Programme on October 29th, 2019.

The purpose of the event was to continue the dialogue on good practices and support measures needed to facilitate entrepreneurs' access to a second chance. The discussion was held in an informal setting and was focused around the project results, especially Landscape screening results and good practices identified in facilitating access to second chance for entrepreneurs. In addition, the participants were introduced to the Transnational Academy Trial and Error training modules developed within the project and building the transnational network of experts.

The event, co-organized by Local Business Re-Structuring and Repair Advisory Groups gathered representatives of Ministry of Economy and Infrastructure, Business Incubators, research and educational institutions and relevant ODIMM experts.
