

IMPROVING ROAD SAFETY IN DANUBE AREA FOR ALL ROAD USERS:

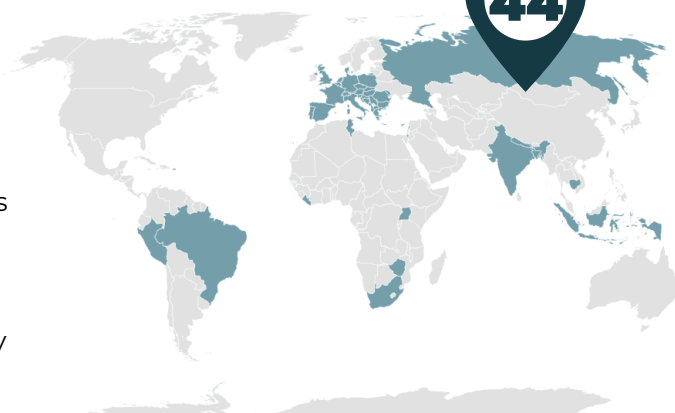

Challenges and Opportunities in the Second Decade of Action for Road Safety (2021-2030)

Abstract

The joint conference was an opportunity for the road safety organisations and experts to discuss and chart the future strategic directions focusing on the **improvement of the road infrastructure safety in the Danube area for all road users.**

The conference that brought together 15 global speakers and distinguished road safety professional outlined **RADAR project's Road Infrastructure Safety Improvement Strategy** and defined the new **innovative approach to bicycle infrastructure** safety suggested by **SABRINA project.**
