(Improved energy planning through the Integration of Smart Grid concepts in the Danube Region)

Date: 5. November 2020 at 12:00 CEST

Location:

Microsoft Teams

The **STRIDE** project consortium is pleased to invite you to the ***PUBLIC KICK-OFF event*** to be held on **5. November 2020 at 12.00 CET.**

The purpose of the event is to raise awareness of the objectives and activities of the project and to provide information stakeholders about the expected results, benefits and their role in the project.

The **STRIDE** project, standing for *Improved energy planning through the Integration of Smart Grid concepts in the Danube Region*, is led by the Local Energy Agency Spodnje Podravje (LEASP) together with seven project partners and eight associated partners from Slovenia, Germany, Austria, Czech Republic, Hungary, Croatia, Bulgaria and Bosnia and Herzegovina. Through knowledge transfer and the development of planning tools, the STRIDE project aims to provide a comprehensive support for regional/local policy makers for the improvement of energy planning.

The event will be organised online, using ***Microsoft Teams***. Official language of the event is **English**.

The **agenda** of the public event can be found below.

The link to access the virtual meeting event will be sent to the **registered participants** on 3rd of November.
