## RESPONSIBLE PARTNER

Pomurje

**TECHNOLOGY PARK**

You can read on the homepage of Pomurje technology Park (PTP) the invitation for the mentoring program in Slovenia <https://www.p-tech.si/druga-priloznost/>.

**The invitation is still open until the maximum number of applicants has not been reached.**

PTP starts to work with entrepreneurs soon after they apply for the program via the Google form application, which is available here: <https://forms.gle/Re5eJ6egNNV9cTRL8>.

### What are the results until now?

"So far, we have just 2 applicants. We will begin soon with the first introductory meetings, where we together analyze the situation of the entrepreneur with the help of the business questionnaire. After that, we will define the first action plan for the mentoring program. Afterward, the "hard work" begins. We will include external experts, mentors if necessary. "  
- Tomaž Lapoša the project manager said

### What is the situation with the mentors?

Mentors are not selected yet. They will be involved in the mentoring program, based on the specific needs of the entrepreneurs.
