

Interreg

Danube Transnational Programme

DanubeChance2.0

MENTORING COUNTRY

RESPONSIBLE PARTNER

The first round of applications in Romania had been closed. Right now there are 3 entrepreneurs who applied for mentoring. The companies that applied to the coaching program activate in the field of: services (2 of them and one in metal construction)

The university opened a new registration period for mentoring which means that **interested entrepreneurs can still apply for the program!**

You can apply in the following link:
