Art Nouveau itinerary & APP NOUVEAU

The tour begins and ends in front of the Museum of Arts and Crafts, where the promotion of the mobile application, APP NOUVEAU, takes place, which allows users to build an Art Nouveau scene from the offered elements and then place themselves in the created scenography, in the Art Nouveau „outfit”. Upon completion, the scene is filmed and offers the opportunity to be shared on social networks and to be sent to the user’s e-mail address.

Venue: In front of the Museum of Arts and Crafts, Trg Republike Hrvatske 10, Zagreb
