ECO-INNOVATION OFFER FORM

Please let us know details of the eco-technology you offer!

* Required

1. Email address *

2. Company / institution *

3. Country *

4. Website *

5. Contact point *

If you wish, please write direct contact to your Institution/Company (Contact person, email address, web page...).

Please, confirm the sharing of your contact information on the webpage ecoinnovative.eu in the following question.

If you do not want to publish your contact information, please select a second option.

6. Agreement for sharing contact information *

Check all that apply.

Contact person agrees to share his/her contact information and publish them on ecoinnovative.eu

Contact person agrees to share his/her contact information, but wants the company to be anonymous on ecoinnovative.eu

7. Segment of your eco-technology *

Check all that apply.

- Biotechnology
- Water cleaning
- Air cleaning
- Waste management
- New buildings materials
- Energy saving technologies
- Environmentally friendly systems
- Other: _____

8. Key Name of your eco-technology *

9. Description of your eco-technology (how is it eco-innovative, what are the main advantages) *

10. Further information (requests for customers)

11. Key words *

12. Form of cooperation *

Mark only one oval.

- development of prototype
- development from prototype to final product
- sale of licence
- sale to end-user
- Other: _____

13. Since when is it possible to use it *

Example: December 15, 2012

Project co-funded by the European Union funds (ERDF and IPA)
