**Policivil workshop for the development of Creative Industries in Slovenia**  
**30.03.2021**  
**Online MS Teams meeting, Maribor, Slovenia**

### **About the meeting**

The Restart4Danube Policivil workshop will gather all relevant actors in the field of Creative industries in Slovenia and will focus on state-of-the art and the future development of Creative Industries Sector in Slovenia.

### **Details**

The meeting is dedicated to all interested stakeholders, working in the field of Creative industries, including companies, research institutions, intermediaries and policy makers in Slovenia and abroad. The meeting will focus on the presentation of the baseline study on creative industries performed by Restart4Danube partners in the Danubian territory. Furthermore presentation of the Local action plan that Municipality of Maribor intends to implement within this project will be presented and participants will be invited to provide their ideas, suggestions, comments. All in all the meeting represents a foundation for setting up the Slovenian network of creative urban service hubs, who will join forces to create a proper long-term strategy for the development of Creative industries sector in Slovenia. Since the organizer – University of Maribor is also the entry point for Slovenia within Enterprise Europe Network – Sector group Creative industries – a special presentation on the opportunities that the EEN offers will be held.
