Coffee break

DATE: 24th of November 2021. 11:00-12:00

PLACE ONSITE: Lapidárium of the HNM

PLACE ONLINE: (link is coming soon)

Hybrid Program: Panel discussion

The aim of this workshop is to support the knowledge transfer between creators in the creative industry and DAeL project partners. By showcasing technical capabilities and possible solutions to the member of the international working group, the workshop hopes to establish standards for the implementation of digital technologies for the visualization of cultural heritage, mainly archaeological heritage.

DATE: 24th of November 2021. 12:15-13:30

PLACE: Muzikum, 1088 Budapest, Múzeum u. 7.

Lunch break
